

The property can be reached by boat from Colon or Coclesito or by helicopter from Panama.

The road from Colon that will pass the property in the south is planned to be ready end of 2010.

The area in red shows the 100 ha of the project  
(26 ha with title, 74 ha with right of possession).

The area in black is an additional sales option of 900 ha  
(at the moment without documents).
